Convenience at your fingertips

Introducing RolloValet™ — the rotating storage unit that provides easy access to stored items in every room of your home.

RolloValet™'s flexible shelving sizes means it can fit in virtually any existing closet, cabinet, or closet system. Imagine being able to:

- Make the most of your kitchen cabinets and pantry
- Conveniently store clothes and shoes in your bedroom closet
- Enjoy a clutter-free family room
- Arrange CDs, DVDs, and videotapes for access at the touch of a button
- Organize towels, linens, and bathroom cleaning supplies

How does RolloValet™ work?

RolloValet™'s motorized rotating shelves bring items to eye level with the touch of a button.

RolloValet™ lets you maximize storage capacity by "reclaiming" previously inaccessible space that was simply too high to be practical. No more climbing, reaching, or struggling with a stepstool or ladder — RolloValet™ brings the shelves to you!

RolloValet™ is ideal for bedrooms, kitchens, TV rooms, garages, home offices... practically every room in your home.

Discover storage space you never knew existed

Whether you're building a new home, renovating an existing space, or just looking for relief from life's clutter, be sure to include RolloValet™ in your plans:

- Increase storage capacity in new or existing cabinets and closets
- Costs a fraction of a full closet renovation
- Flexible shelving sizes to fit virtually any space
- Wide selection of styles and finishes to match any décor

RolloValet™ is available exclusively through licensed trade professionals, so talk to your architect, designer, or contractor today.
